

The Autonomy Canvas

Important topics to be discussed to encourage the team to move away from counter-dependency and decision conflicts, and to be perceived as a team not a group of individual. Please, during the session be generous with your words and attitudes and always look from the I perspective. Make this space a safe-space and after doing it, take your notes and burn this paper.! Based on theteamcanvas.com

Team Name _____ Date _____

Dênis Araújo da Silva | Masters Digital Management | Hyper Island

<div>People & Roles</div> <div>What are our names and the roles we have in the team?</div>	<div>Boundaries</div> <div>What is OK and NOT Okay for us as individuals?</div>	<div>Values</div> <div>What is our personal values? Please maximum of 2 per person.</div>	<div>Feelings</div> <div>What do you feel when you say that you are part of this team?</div>
